KAREN LIONARDS PO BOX 969, INNIS, LA INNIS, LA 70747

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Innis Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern over the dependability of rural route service. Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day.
- You expressed a concern about having to travel to another post office for service. Services provided at the post office will be
 available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not
 require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer
 convenience.

If it is determined that a discontinuance of the Innis Post Office should be pursued, a formal proposal will be posted in the Batchelor Post Office and Innis Post Office at a later date. If you have additional questions or comments, please feel free to contact Alfred Christophe at (504) 589-1835.

Sincerely,

ROSIE M. DAILY PO BOX 949, INNIS, LA INNIS, LA 70747

Dear Postal Service Customer:

Rural carriers are required to serve the route expeditiously and arrive at boxes at about the same time each day.
- You expressed a concern about those customers with disabilities who are not able to go to the post office to pick up their mail. Customers are not required to travel to another post office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.

If it is determined that a discontinuance of the Innis Post Office should be pursued, a formal proposal will be posted in the Batchelor Post Office and Innis Post Office at a later date. If you have additional questions or comments, please feel free to contact Alfred Christophe at (504) 589-1835.
